Here are the options when uploading your video. (Videos uploaded to Coub are muted.) Videos will be uploaded as mp4s. They will be made public and uploaded on YouTube. You can still have a private YouTube Channel for sharing videos, even if you are not the person who created them. Permissions will be granted for viewing on the public channel. Permissions are only granted for viewing the channel. This is to prevent spam and any other unauthorized action. A thumbnail can be made for the video to be featured on the home page and in search results. Thumbnail options Thumbnails are automatically generated. Videos and thumbnails can be custom designed. There are three different size options: 320 × 180 px for 320 × 180-320 × 480 px 480 × 360 px for 480 × 360-480 × 720 px 720 × 360 px for 720 × 360-1280 × 360 px A custom background can be applied. The background can be any image, gif, video or your logo. If you are uploading a video, be sure to select the correct resolution. Note: The site owner cannot view the background. The page width of the video should match the width of the thumbnail. The page height of the video should match the height of the thumbnail. The thumbnail can be adjusted. You can upload more than one photo. This can be used to upload custom designed images or logos. Custom designed videos and thumbnails will be added to the page as soon as you have finished editing them. Videos are muted during uploading and editing. You cannot edit the private YouTube channel after the channel has been created. Upload videos Downloading videos is easy as well. Once you have uploaded a video, click on the video name and select "Download Video..." This will load a new page with information about the video. The video can be downloaded in multiple formats. The four formats are: Mp4 Mp3 FLV The different file types are usually displayed in a drop-down menu when the file is selected. If not, then the file type is Mp4 After selecting a format, you will then be prompted to either "Save to Google Drive" or "Download to MyComputer". Select the 82157476af
